CONDITIONS OF SALE.

FIRST.—The highest bidder to be the buyer; and if any dispute arise between two or more bidders, the lot in dispute shall be immediately put up again and re-sold, or not, as the auctioneer may decide, who is also to regulate the biddings and be the sole arbiter. The vendors reserve the right of bidding by themselves or agent, and of withdrawing any lot or lots.

SECOND.—The purchasers to give in their names and places of abode, and to pay down, *if required*, 5s. in the £, or more, in part of payment, or the whole of the purchase-money, in default of which the lot or lots so purchased to be immediately put up again and re-sold.

THIRD.—The lots are to be taken away and paid for, whether genuine and authentic or not, with all faults and errors of description, the day after the sale; MESSRS. FOSTER not being responsible for the correct description, genuineness or authenticity of any lot.

FOURTH.—To prevent inaccuracy in delivery and inconvenience in the settlement of the purchases no lot can be transferred, nor can any lot be removed during the time of sale; each buyer must pay for the whole of his purchases before any lot is removed.

FIFTH.—All lots uncleared within the time aforesaid may be re-sold by public or private sale, when or where the vendors think proper, without notice to the defaulter; and the deficiency (if any), and the expenses attending such re-sale, and any other loss the vendor may sustain, shall be made good by the defaulter, but this condition is without prejudice to the vendor enforcing the purchase, whether a deposit has been paid or not.

NOTE.—*All lots remaining uncleared, by either Vendors or Purchasers, beyond three days from the day of sale will be subject to a charge of 2s. 6d. each per week for warehousing from the day of sale.*
